

Address: Corfu

Description:

A pretty, easy-to-build-on, plot of land near to the centre of Kassiopi.

This is an economically priced plot with an amazing sea view and the village, the port, the Avlaki bay, the Albanian mountains, the North straight of Corfu, the "Peristeres" island and the lighthouse.

Kassiopi center is within a few minutes walking distance.

This pretty plot is on one of the hills of the village, within easy walk of the square and the port of Kassiopi and with pleasant country and sea views.

Facing due east, the land is on a gentle slope, and has access from the municipality road leading out of the village.

The land is buildable (200 sq m) and with water and electricity ready to install!
